Learn about MTTA. We are a nonprofit organization that operates four backcountry huts and over 50 miles of trails near Rainier National Park. We have groomed and backcountry trails for skiers, snowshoers and snowboarders of all abilities! Come checkout the views, the fun and learn more.

Support our no-fee backcountry. We charge no fees to use our backcountry ski trails and only \$15/person/night for hut reservations. We rely on the Gala to raise much of our operating expenses. Please help us by attending, becoming a member, and joining in the fun of the silent auction!

It's your first chance for winter hut reservations! Most Saturday night hut stays are reserved at our Gala. Each attendee gets one ticket for the hut reservation lottery. Additional tickets can be purchased at \$10 each. Names picked will have their choice of remaining dates and huts.

Mark your calendars today!
